Dear Pina Pacione:

**Re: EB-2025-0012 PUC Distribution Inc. Application for 2026 Rates**

The Ontario Energy Board (OEB) provided a draft Decision and Rate Order and a draft Tariff of Rates and Charges in relation to the above-noted proceeding on February 18, 2026. On February 24, 2026, in its comments on the drafts, PUC Distribution Inc. (PUC Distribution) noted “a minor difference of \$1 between the disposition amount stated in the letter and the corresponding amount shown in the table, which appears to be due to rounding and is a presentation difference only”.

The Decision and Rate Order is updated and now reflects the same value in the locations specified by PUC Distribution.

The OEB has now issued a final Decision and Rate Order, together with a final Tariff of Rates and Charges. Copies of these documents are enclosed with this letter.

Yours truly,

Ritchie Murray  
Acting Registrar
