Dear Tijja Luttrell:

Re: EB-2025-0036 Greater Sudbury Hydro Inc. Application for 2026 Rates

The Ontario Energy Board (OEB) provided a draft Decision and Rate Order and a draft Tariff of Rates and Charges in relation to the above-noted proceeding on March 5, 2026. On March 12, 2026, Greater Sudbury Hydro Inc. (Greater Sudbury Hydro) informed the OEB that although Schedule A of the draft Tariff of Rates and Charges includes the Rate Rider for Other Post-Employment Benefits (OPEB) Accrual Transition Variance Disposition, the draft Decision and Rate Order does not include a reference to the OEB's Final Decision and Order in EB-2024-0026, which required Greater Sudbury Hydro to include the approved OPEB rate riders in its 2026 proposed Tariff of Rates and Charges.

Greater Sudbury Hydro suggested that the final Decision and Rate Order in this proceeding include a reference to the OEB's approval of the Rate Rider for OPEB Accrual Transition Variance Disposition in EB-2024-0026.

The OEB has accepted this request and incorporated the change into the final Decision and Rate Order.

The OEB has now issued a final Decision and Rate Order, together with a final Tariff of Rates and Charges. Copies of these documents are enclosed with this letter.

Yours truly,

Ritchie Murray
Acting Registrar
