Hello Batul,

The attached license needs to be updated in Schedule 1 as follows due to the old generators (each at 1.75MW maximum capability) were replaced with new generators (each at 1.966MW) in 2023.

SCHEDULE 1 LIST OF LICENSED GENERATION FACILITIES

The License authorizes the Licensee only in respect to the following:

1. The ownership and operation of Hamilton General Hospital Co-generation facility, with an installed capacity of 5.898 MW located at 237 Barton Street, Hamilton, Ontario.
2. The ownership and operation of Juravinski Hospital & Cancer Centre Co-generation facility, with an installed capacity of 7.864 MW located at 711 Concession Street, Hamilton, Ontario.
3. The ownership and operation of McMaster University Medical Centre Co-generation facility, with an installed capacity of 11.796 MW located at 1200 Main Street West, Hamilton, Ontario.

Please let me know if you have any questions.

Thank you.
