

Enbridge Gas Inc.

**Application for exemption from leave to construct
natural gas pipeline and associated facilities in the
City of Burlington**

**PROCEDURAL ORDER NO. 3
March 26, 2026**

On November 19, 2025, Enbridge Gas Inc. applied to the Ontario Energy Board (OEB) under section 95(2) of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B) for an order granting an exemption from the requirement to obtain leave to construct for a project involving the construction of approximately 3.2 kilometres of natural gas pipeline and ancillary facilities in the Cedar Springs community, located in the City of Burlington (the Project).

On March 20, the OEB issued Procedural Order No. 2 which cancelled the remaining steps established in Procedural Order No. 1 and approved the request of Six Nations of the Grand River (Six Nations) to file evidence. The procedural order also set the dates for the filing of interrogatories from OEB staff and Enbridge Gas on Six Nations' evidence and interrogatory responses from Six Nations.

On March 25, 2026, Six Nations requested an extension for the filing of interrogatories and interrogatory responses.

The OEB grants Six Nations' extension request and has established a revised schedule for the next steps in this proceeding. The OEB intends to provide for subsequent procedural steps, including parties' submissions, in a future procedural order.

The OEB is making provision for the following procedural steps.

THE ONTARIO ENERGY BOARD ORDERS THAT:

1. The OEB hereby cancels the deadlines set out in paragraphs 3 and 4 of Procedural Order No. 2 for written interrogatories from Enbridge Gas and OEB staff on Six Nations' evidence and written responses from Six Nations.

2. Enbridge Gas and OEB staff shall request any relevant information and documentation from Six Nations that is in addition to the evidence already filed, by written interrogatories filed with the OEB and served on all parties by **April 7, 2026**.
3. Six Nations shall file with the OEB complete written responses to all interrogatories and serve them on Enbridge Gas by **April 20, 2026**.
