Dear Olatunbosun Ishola:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Humber Station Community Expansion Project  
OEB File Number: EB-2025-0270**

In the OEB's letter to Enbridge Gas on March 13, 2026, the OEB placed the above noted proceeding into abeyance for 45 calendar days beginning March 13, 2026.

It has come to the OEB's attention that the 45 calendar days period ends on **April 27, 2026** and not May 15, 2026, as mentioned on the letter.

Pursuant to its powers under Rule 41.03 of the OEB's Rules of Practice and Procedure, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in one of its orders or decisions. The OEB considers this error an error of calculation.

The revised letter is attached. This revised letter supersedes and replaces the previously issued letter.

Yours truly,

Ritchie Murray  
Acting Registrar
