1. BACKGROUND

On August 19, 2025, Wasaga Distribution Inc. (Wasaga Distribution) filed a [service area amendment application](#) with the Ontario Energy Board (OEB) under section 74(1) of the *Ontario Energy Board Act, 1998* (OEB Act). Wasaga Distribution requested an amendment to its service area as described in Schedule 1 of its electricity distribution licence¹ to include a property located at 400 45th Street South (Subject Property). The Subject Property is within the municipal boundary of the Town of Wasaga Beach. The Subject Property is currently part of Hydro One Networks Inc.'s (Hydro One) service area as described in Schedule 1 of its electricity distribution licence.² Hydro One requested and was granted intervenor status in this proceeding, submitted intervenor evidence and contested Wasaga Distribution's application.

On March 19, 2026, the OEB issued its [Decision and Order](#) approving the service area amendment, finding it to be in the public interest.

As part of the Decision and Order, the OEB ordered that Wasaga Distribution and Hydro One both file an updated Schedule 1, if necessary, of their distribution licenses to reflect the service area amendment approved in the decision, for the OEB's approval.

On March 23, 2026, Wasaga Distribution filed an updated Schedule 1 of its electricity distribution licence (ED-2002-0544) that reflected the approved service area amendment.

On March 23, 2026, Hydro One filed its response by stating that an amendment to Schedule 1 of its electricity distribution licence (ED-2003-0043) was not required based on the OEB's decision to approve the service area amendment application for Wasaga Distribution. Hydro One also stated that its correspondence was provided in compliance with the OEB's order and without prejudice to Hydro One's right to bring a Motion to Review on the Decision and Order, dated March 19, 2026.

Findings

The OEB has reviewed Wasaga Distribution's amended Schedule 1 of its electricity distribution licence ED-2002-0544 and approves the amendment. OEB also agrees with Hydro One that an amendment to its electricity distribution licence (ED-2003-0043) is not required.

¹ Refer to Schedule 1 of Wasaga Distribution Inc.'s Electricity Distribution Licence (ED-2002-0544).

² Refer to Schedule 1 of Hydro One's Electricity Distribution Licence (ED-2003-0043)

THE ONTARIO ENERGY BOARD ORDERS THAT:

1. Schedule 1 of Wasaga Distribution Inc. electricity distribution licence ED-2002-0544 is amended by removing 400 45th St S, Stayner, ON, L0M 1S0 from section 4 of Wasaga Distribution's electricity distribution licence, effective March 19, 2026.

The amended licence is attached to this Decision and Order.
