Dear Mr. Murray:

Re: EB-2026-0116/ EB-2026-0122 – FortisCanada Inc. – Notice of Proposal under Sections 80 and 81, and Application for Leave under Section 86(2)(b) of the Ontario Energy Board Act, 1998 for an Internal Reorganization

We are legal counsel to FortisCanada Inc. (“**FortisCanada**” or the “**Applicant**”) in the above-referenced proceedings, and we are writing to inform the Ontario Energy Board (“**OEB**”) on the updated timing of the Internal Reorganization (as such term is defined below).

On March 12, 2025, FortisCanada filed a Notice of Proposal under Sections 80 and 81 (the “**Notice**”) (2026-0116) and an Application for Leave (EB-2026-0122) under Section 86(2)(b) of the *Ontario Energy Board Act, 1998* (the “**Application**”) to the OEB. The Notice and Application were filed in contemplation of an internal reorganization (the “**Internal Reorganization**”) of Fortis Inc., the parent company of FortisCanada, as described in the Notice and the Application.

Whereas the Application and Notice provide that the Internal Reorganization is expected to close on or about August 1, 2026, FortisCanada is writing to update the OEB that the Internal Reorganization is now planned to close on or around October 1, 2026. All other aspects of the Internal Reorganization as described in the Notice and Application remain accurate.

In addition, we have filed an Officer’s Certificate in respect of the Notice and Application, in accordance with Sections 1.2 and 1.6 of the OEB’s Handbook to Electricity Distributor and Transmitter Consolidations (last revised July 11, 2024)

Please do not hesitate to contact the undersigned should you have any questions or concerns.

Yours truly,

Daniel Gralnick
