DECISION AND ORDER

EB-2026-0096

EnerFORGE

Application for a Unit Sub-Metering Licence

BY DELEGATION, BEFORE: **Kevin Mancherjee**
Vice President, Electricity Networks

April 2, 2026

DECISION AND ORDER

EnerFORGE filed an application with the Ontario Energy Board (OEB) on February 10, 2026, under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for a unit sub-metering licence. The licence would allow the applicant to provide unit sub-metering services in Ontario.

This Decision and Order is being issued by the Delegated Authority, pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the technical and financial capability of the applicant, the OEB finds that it is in the public interest to grant the application and issue a unit sub-metering licence to EnerFORGE.

IT IS ORDERED THAT:

1. The application for a unit sub-metering licence is granted, on such conditions as are contained in the attached licence.

DATED at Toronto April 2, 2026

ONTARIO ENERGY BOARD

Kevin Mancherjee
Vice President, Electricity Networks
