Hello Katherine,

Thank you for submitting your EAC activities cost claim.

The OEB has completed its review, and our records indicate that you were absent from the EAC #26 meeting held on January 7, 2025. Please see the attached meeting notes for reference. As a result, you are eligible for only 50% of the maximum time allocated for that meeting (0.875 hours).

We understand that clerical errors can occur. If you have any documentation that confirms your attendance at the meeting, please provide it on or before the end of the day on Monday, March 30. If we do not receive supporting information by then, we will proceed with adjusting the hours for the EAC #26 meeting to 0.875 hours.

Regards,

**Taiwo Ishmail**, Advisor, Application Policy & Conservation
