

April 10, 2026

**Congratulations on your Community's Grid-Connection
Muskrat Dam (April 9th, 2026)**

Dear Chief Duncan & community members of Muskrat Dam First Nation,

On behalf of Hydro One Remotes, I would like to congratulate your community on connection to the Wataynikaneyap Transmission Line. As of April 9th, your community was officially grid connected and drawing power from the provincial power grid. This is a significant milestone for the Watay project, Northern Ontario, Hydro One Remotes, and especially your community with grid connection providing your community the electrical capacity to expand and grow for generations.

It has been a long journey to grid connection, and it has been a pleasure working with Wataynikaneyap Power and Muskrat Dam over these years. Thank you Chief for your leadership, vision and unwavering commitment. Special thanks to Roseanne Quedent for her dedication in assisting in the transfer process.

Muskrat Dam First Nation is the sixth Independent Power Authority (IPA) to be Watay grid connected and transferred to Hydro One Remotes. Hydro One Remotes is proud of our role of supporting making grid connection a reality, and we are truly excited to become the electrical distributor for your community. We are committed to offering high-quality service and over the next few months will be integrating your community into our existing business operations.

Please reach out with any questions or concerns, and we look forward to continuing our work together.

Sincere congratulations,

Kevin Mann

Director, Hydro One Remote Communities Inc.
