April 14, 2026

DECISION AND ORDER

PowerTrail Inc. filed an application on February 13, 2026, with the Ontario Energy Board (OEB) pursuant to section 60 of the Ontario Energy Board Act, 1998 (OEB Act), for renewal of its electricity generation licence.

This Decision and Order is being issued by the Delegated Authority, pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

PowerTrail Inc. owns and operates a landfill gas-to-energy generation facility located at 4475 Trail Road, Ottawa, Ontario.

After considering the application and assessing the technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the application and issue an electricity generation licence to PowerTrail Inc.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
