EB-2026-0094

HYDRO ONE NETWORKS INC.

Application for a Service Area Amendment

BY DELEGATION, BEFORE: Ceiran Bishop
Director,
Performance Analytics & Compliance

April 16, 2026

DECISION AND ORDER

Hydro One Networks Inc. (Hydro One) filed an application with the Ontario Energy Board (OEB) on February 9, 2026, under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) for an amendment to Elexicon Energy Inc.'s (Elexicon Energy) service area as described in Schedule 1 of its electricity distribution licence ED-2019-0128. Schedule 1 of the licence sets out the service area within which Elexicon Energy is authorized to provide electricity distribution services.

The application has been considered by the Delegated Authority without holding a hearing pursuant to section 6(4) of the OEB Act.

Hydro One requested the amendment to include the property with the legal description PT LT 17 CON 9 PICKERING, PT 8 PL 40R24662 CITY OF PICKERING (Subject Property) to its service area. The Subject Property is largely located within Elexicon Energy's service territory.

Hydro One considers itself to be the most economically efficient utility to serve this connection. The evidence filed with the application states that Hydro One has distribution facilities adjacent to the Subject Property with sufficient capacity to serve the Subject Property. Conversely, Elexicon Energy would need to expand its system to connect the site. The evidence also states that no assets will be stranded because of the proposed amendment. Further, the evidence states that there will be no negative impact on rates and no effect on safety, reliability or service quality.

Hydro One has received both Elexicon Energy's and the connecting customer's consent to proceed with this connection. The customer's preference is that Hydro One service the Subject Property.

Based on the evidence, the OEB finds it to be in the public interest to approve the service area amendment to include the Subject Property in Schedule 1 of Elexicon Energy's electricity distribution licence. Hydro One's distribution licence ED-2003-0043 does not need to be amended given the manner in which Schedule 1 of Hydro One's licence is presented.

IT IS ORDERED THAT:

1. Elexicon Energy Inc.'s electricity distribution licence ED-2019-0128, is amended to include the following in Schedule 1, Appendix B:

Veridian Point No.	Municipal Address, City of Pickering	Legal Description
2R	5455 Brock Rd	PT LT 17 CON 9 Pickering, PT 8 PL 40R24662 City of Pickering

The amended licence is attached to this Decision and Order.
