Dear Ritchie Murray:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Ontario Energy Board (OEB) File No.: EB-2026-0082
2026 Storage Enhancement Project
Intervention Request – Ministry of Natural Resources**

Pursuant to the OEB's Notice of a Hearing issued in the EB-2026-0082 proceeding, interested parties had until April 6, 2026 to apply to be an intervenor and provide input on the hearing type (oral, electronic or written). Enbridge Gas has reviewed the intervention request letter filed by the Ministry of Natural Resources in this proceeding on April 17, 2026 and does not object to its request to be granted Intervenor status.

Enbridge Gas endeavoured to provide this response as soon as practical in an effort to avoid any potential delays to the OEB's procedural timelines.

Please contact me if you have any questions.

Yours truly,

Evan Tomek
