Item Description	Category	Status
2025-0295	Natural Gas – Rates	Granted

## **Issues:**

ENGLP has several Franchise Agreements with the municipalities it serves and therefore has a relevant and significant interest in the outcome of this proceeding and any potential changes to the Model Franchise Agreement that may be made which could impact both the renewal of existing agreements or the potential creation of new in the event of expansion. ENGLP anticipates that it will actively participate in certain issues identified on the draft issues list.

## **Policy Interests:**

ENGLP has a direct interest in all matters of jurisdiction, substance and procedure in the regulation of public utilities, and in any decision of the Ontario Energy Board, which may create a precedent affecting Enbridge Gas's operations and/or rates.

## **Hearings:**

No preference.

## **Evidence:**

Unknown at this time.

## **Coordination with Other Intervenors:**

ENGLP does not anticipate providing input on issues covered by Enbridge Gas unless delineation is required to address specific matters.
