The Ontario Energy Board (OEB) has now issued its Notice of Application for HONI and WTLP's application for various approvals in connection with the Waasigan Transmission Line Project EB-2026-0090 (Notice).

HONI and WTLP requested that the OEB dispose of this application without a hearing under section 21(4)(b) of the *Ontario Energy Board Act, 1998* (OEB Act). This section of the OEB Act empowers the OEB to dispose of a proceeding without a hearing if it determines that no person other than the applicant will be adversely affected in a material way by the outcome of the proceeding. Pursuant to section 21(4)(a) of the OEB Act, the OEB will canvass for comments on the need for a hearing before making a determination on how to proceed.

You must comply with the directions in paragraphs 1 to 2 below prior to **April 30, 2026**. If you are unable to comply with the directions within this timeframe, you must inform the Registrar immediately at registrar@oeb.ca.

You are directed:

1. To post the enclosed Notices, the application and the evidence, and any amendments thereto, on HONI's website.

3. To file with the OEB an affidavit immediately thereafter proving completion of the matters in paragraphs 1 and 2 have been completed.

You are further directed not to include any documents or materials when serving the Notice other than documents or materials expressly required by this letter of direction.

Yours truly,

Ritchie Murray
