Re: Enbridge Letter of November 19, 2008

The Board is receipt of a letter from Enbridge dated November 19, 2008 (attached) in which Enbridge indicates that it needs to advance its regularly scheduled QRAM filing by one month so that the new rates would go into place on March 1, 2009 rather than April 1, 2009.

Parties are invited to comment on this matter in writing by December 19, 2008. In particular, the Board would like to hear comments about any additional procedural steps that might be required when Enbridge files its QRAM proposal for a March 1, 2009 rate change. Enbridge is invited to make reply comments by January 12, 2009. Please copy all parties at the time of submitting comments to the Board.

Yours truly,
