Subject: Re: EB-2025-0297 - OPG Correspondence re Motions Day

Dear Mr. Ritchie,

AMPCO supports OPG's request. In AMPCO's view, there is insufficient time between receipt of the interrogatory responses and the requirement to file a letter by April 24, 2026. AMPCO's AGM is April 23, 2026 and AMPCO will be unable to commence review of the responses until April 24, 2026. AMPCO agrees with OPG that the currently scheduled motions day allows insufficient time for parties to meaningfully prepare for the session and participate.

Regards,

Shelley Grice, P. Eng.
