Dear Olatunbosun Ishola:

**Re: Extension of Abeyance  
Enbridge Gas Inc. (Enbridge Gas)  
Humber Station Community Expansion Project  
OEB File Number: EB-2025-0270**

Enbridge Gas applied to the Ontario Energy Board (OEB) under subsection 95(2) of the *Ontario Energy Board Act, 1998* (OEB Act) for an order exempting Enbridge Gas from the requirement to obtain leave to construct natural gas pipelines and facilities (Project) in the Town of Caledon, Ontario near the intersection of Humber Station Road and Old Church Road.

As part of its application, Enbridge Gas noted that it is waiting to receive the Letter of Opinion from the Ministry of Energy and Mines (Ministry) regarding whether the Crown's duty to consult delegated and undertaken by Enbridge Gas for the Project is sufficient.

In accordance with the OEB's Protocol for Adjusting Adjudicative Timelines, the OEB previously placed Enbridge Gas's application in abeyance for a period of 45 calendar days, effective **March 13, 2026**. The 45 calendar days period ended on **April 27, 2026** and the Letter of Opinion had not been filed with the OEB as of that date.

The OEB extends the abeyance of the application by an additional 30 calendar days to provide additional time for consultation and for filing of the Ministry's Letter of Opinion. The 30 calendar days period will end on **May 27, 2026**.

If by May 27, 2026 the Ministry's Letter of Opinion is still pending, the OEB may extend the abeyance or pursue another course of action.

Any questions relating to this application may be directed to the Case Manager, Arturo Lau at [Arturo.Lau@oeb.ca](mailto:Arturo.Lau@oeb.ca) and OEB Counsel, Michael Millar at [Michael.Millar@oeb.ca](mailto:Michael.Millar@oeb.ca).

Yours truly,

Ritchie Murray  
Registrar
