**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*,  
S.O. 1998, c. 15, (Schedule B);

**AND IN THE MATTER OF** an application by COLLUS  
Power Corp. for an order approving just and reasonable  
rates and other charges for electricity distribution to be  
effective May 1, 2009.

### **PROCEDURAL ORDER NO. 3**

COLLUS Power Corp. ("COLLUS" or the "Applicant") filed an application with the Ontario Energy Board, received on August 18, 2008 under section 78 of the *Ontario Energy Board Act, 1998*, seeking approval for changes to the rates that COLLUS charges for electricity distribution, to be effective May 1, 2009. The Board has assigned the application File Number EB-2008-0226. The Board issued a Notice of Application and Hearing dated September 2, 2008, Procedural Order No. 1 on October 6, 2008, and Procedural Order No. 2 on October 22, 2008.

In the first procedural orders, the Board made provision for a phased approach to the discovery process, with the first phase consisting of written interrogatories and the possibility of a technical conference at the option of the Applicant. The Applicant chose not to have a technical conference.

The Applicant has filed with the Board responses to the interrogatories from parties on November 28, 2008.

The Board indicated that at the completion of this first phase of the discovery process, the Board would determine whether further discovery, either in the form of a further technical conference or further interrogatories, would be required and whether to order that a settlement conference be held.

The Board is now seeking the views of the Applicant and all parties regarding the need for additional procedural steps in this proceeding.

Please be aware that this Procedural Order may be amended, and further procedural orders may be issued from time to time.

**THE BOARD ORDERS THAT:**

1. The Applicant, Board staff and all parties may file with the Board and deliver to all other parties on or before December 10, 2008 any submissions on the following procedural issues:

- (a) whether further discovery is required, either in the form of further interrogatories or a technical conference;
- (b) whether a settlement conference would be appropriate; and
- (c) whether a written or oral hearing is preferred.
