SEC has an interest in, and may be materially affected by, the generic review of municipal franchise agreements, as any changes to those agreements may affect the costs that natural gas distributors incurs to which it may pass on to customers like schools in rates. Additionally, SEC has an interest in ensuring proper coordination between municipalities and natural gas distributors, which may impact service quality and availability.

## Coordination with Other Intervenors:

SEC will coordinate with other intervenors with similar interests, where appropriate, to promote responsible participation in the proceeding.
