Dear Mr. Murray:

**Re: Enbridge Gas Inc.
Application for Approval of Franchise Agreement - City of Brampton
Ontario Energy Board File No. EB-2026-0087**

Further to the questions submitted by Ontario Energy Board Staff related to the franchise agreement documents contained within the application, Enbridge Gas provides the following response.

Staff Question-1

Reference: Application and Evidence, Schedule E
Application and Evidence, Schedule F

Preamble:

Enbridge Gas has applied for an order approving the renewal of its franchise agreement with the City of Brampton. A draft franchise agreement is included in both appendix E and appendix F of the application.

Questions:

- a) Please clarify why there are two draft franchise agreements included in the application.
Please confirm that there are no differences between the two draft franchise agreements.
- b) Please clarify which draft franchise agreement should be used for the franchise renewal.

Response:

- a) Schedule "E" to the application is a copy of the Resolution of the Council of the City of Brampton approving the form of the draft by-law and franchise agreement as well as the associated Brampton Staff Report 2025-877. At Attachment 3 of the Brampton Staff Report 2025-877 is a copy of a proposed franchise agreement that was provided to the municipality in March 2025 when franchise agreement renewal discussions were initiated.

The proposed franchise agreement provided in the application at Schedule "F" is the same franchise agreement originally provided to the municipality with updates provided on page 1

to reflect an effective date in 2026 and on page 10 to update the title of one of the Enbridge Gas signatories (David Edwards).

- b) Enbridge Gas is looking to receive OEB approval of the proposed franchise agreement submitted in Schedule "F" to the application.

Should you have any questions on this submission, please do not hesitate to contact me.
