Ontario Energy Board
P.O. Box 2319,
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4
Attention: Acting Registrar

Dear Mr. Murray,

**Re: Enbridge Gas Inc.
Application for 2024 Rates – Phase 3
Board File No.: EB-2025-0064**

We are counsel to the Ontario Home Builders' Association ("**OHBA**") in the above-noted proceeding (the "**Proceeding**"). Pursuant to Procedural Order No. 6 dated April 28, 2026, please find attached the cost claims of OHBA in the Proceeding.

Submissions. OHBA respectfully requests an award of 100% of its eligible costs, given its strategic and principled participation in the Proceeding, reflecting the interests of builders, renovators, and suppliers in the residential construction industry. OHBA submits that this request is supported by the following considerations:

- (i) OHBA participated effectively in the Proceeding, taking a narrow, principled, and coordinated approach to matters related to areas of concerns and interest to its members;
- (ii) OHBA ensured that its participation in the Proceeding was focused on material issues and consistent with the scope of its intervention, as set out in its Notices of Intervention; and
- (iii) OHBA participated responsibly and engaged with other intervenors and Board Staff to avoid overlap, maximize efficiency, and ensure that its participation was not unduly repetitive and was focused on relevant and material issues to OHBA and its members.

We trust that this approach has maximized the efficient use of resources to advance the interests of a key sector of the Ontario economy and energy stakeholders to be heard in a manner that is consistent with the Board's mandate and statutory objectives.

OHBA respectfully requests a full award of eligible costs.

Sincerely,

A handwritten signature in black ink, appearing to read "Dain Vollmer". The signature is fluid and cursive, with a large initial "D" and a long, sweeping tail.

DT Vollmer
