Dear Mr. Murray:

**Re: Projects to Expand Access to Natural Gas Distribution (Phase 2)

I am writing in relation to section 36.2 of the *Ontario Energy Board Act, 1998* and Ontario Regulation 24/19 (Expansion Funding Regulation), as amended by Ontario Regulation 451/21 effective June 8, 2021.

Section 2(1)(b) refers to "all necessary approvals from the [OEB] to authorize the expansion of a natural gas distribution system", which means any one or more of the following approvals as may be applicable to a given project:

- a Certificate of Public Convenience and Necessity under section 8 of the *Municipal Franchises Act*;
- a Municipal Franchise Agreement under section 9 of the *Municipal Franchises Act*; and
- leave to construct under section 96 of the *Ontario Energy Board Act, 1998* further to an application under section 90.
