BY DELEGATION,

BEFORE: Ceiran Bishop

May 19, 2026

DECISION AND ORDER

Trilliant Networks (Canada) Inc. filed a complete application on April 15, 2026, with the Ontario Energy Board (OEB), pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) for renewal of its unit sub-metering licence¹, which is set to expire on July 21, 2026. The licence would allow the applicant to provide unit sub-metering services to consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical and financial capability and conduct, the OEB finds it to be in the public interest to grant the application and issue a unit sub-metering licence to Trilliant Networks (Canada) Inc.

IT IS ORDERED THAT:

1. The application for a unit sub-metering licence is granted, on such conditions as are contained in the attached licence.
