Dear Ms Walli:

Re: Generic Gas 2008 Assumptions Update Process

In my letter of November 24th I indicated that GEC had not received a copy of the proposed Enbridge assumptions. That assertion was not accurate. I have since been advised that a copy had been provided to the Evaluation and Audit Committee.

GEC's concern remains that the consultation process was not completed and the Evaluation and Audit Committee has not had an opportunity to satisfy itself in regard to several of the proposed assumptions.

Sincerely,
