Attention: Registrar

Dear Mr. Murray,

Re: Enbridge Gas Inc.
Application To Review Five-Year Gas Supply Plan
OEB File No.: EB-2025-0065

We are counsel to Minogi Corp. ("**Minogi**") in the above-noted proceeding (the "**Proceeding**"). Pursuant to the Board's Decision and Order dated May 21, 2026, please find attached the cost claims of Minogi in the Proceeding.

Submissions. Minogi respectfully request an award of 100% of its eligible costs, given its strategic and principled participation in the Proceeding, reflecting the unique interests and rights of Mississaugas of Scugog Island First Nation ("**MSIFN**") and its respective members. Minogi submits that this request is supported by the following considerations:

(i) Minogi participated effectively in the Proceeding, taking a narrow, principled, and coordinated approach to matters related to the rights and concerns of MSIFN and assisted in contributing to the OEB's better understanding of such concerns and matters;

(ii) Minogi ensured that its participation in the Proceeding was focused on material issues and consistent with the scope of its intervention, as set out in its Intervention Form;

(iii) Minogi also collaborated with Ginoogaming First Nation ("**GFN**"), the other Indigenous intervenor representing an important Northern and near-remote First Nation, and members of the Indigenous Working Group ("**IWG**"), to coordinate interrogatories and prepare submissions in order to limit overlap and efficiently advance issues of mutual interest, all of which is consistent with the OEB's direction for broader coordination between intervenors; and

(iv) Minogi participated responsibly and engaged with other intervenors and OEB Staff to avoid overlap, maximize efficiency, and ensure that its participation was not unduly repetitive and was focused on relevant and material issues to MSIFN, Ontario First Nations, the IWG, and EGI's Indigenous customers.

Minogi wishes to note that it also collaborated with Three Fires Group Inc. ("**TFG**"), a member of the IWG representing the interests and rights of Chippewas of Kettle and Stony Point First Nation, during key points of intervention in the Proceeding, to ensure that its perspectives helped inform Minogi's interrogatories, testing of evidence, and submissions. Minogi notes that TFG was unable to participate in the Proceeding beyond the initial stakeholder/rightsholder information conference but remained taken with the issues and concerns explored during the Proceeding, especially as they related to the impacts of gas supply planning on First Nations and the important role of the IWG in supporting EGI's engagement and relationship with First Nations and Indigenous customers. Minogi respectfully submits that this ensured that the OEB was able to benefit from the important concerns and areas of interest of a broader group of First Nation rightsholders and EGI's Indigenous customers that would otherwise be absent in the Proceeding

We trust that this approach has maximized the efficient use of resources and the right of otherwise unrepresented and important Indigenous energy rightsholders to be heard in a manner that is consistent with their constitutionally protected rights and the OEB's mandate and statutory objectives.

Minogi respectfully requests a full award of eligible costs.

Sincerely,

DT Vollmer

c. Dr. Don Richardson, Minogi
