Dear Mr. Murray:

Re: EB-2025-0312 – Elexicon Energy Inc. 2027-2031 Custom Incentive Rate-Setting (“Custom IR”) Application – Request for Hybrid Technical Conference

Following earlier discussions with OEB Staff, Elexicon Energy is writing this letter to request that the Technical Conference be a hybrid process (in-person and virtual) in which Elexicon’s counsel and witnesses will appear in person.

Given the scale and complexity of the issues in this proceeding, Elexicon believes that in-person attendance is a more conducive format for this proceeding because it enables direct communication between witnesses, counsel, and parties, which can improve the efficiency and effectiveness of the process.

Elexicon’s primary contact for this application is Erin Stevens, Director, Regulatory Affairs. Please contact Erin by e-mail at estevens@elexiconenergy.com, or by phone at 289-355-9390, if you have any questions.

Sincerely,
