Dear OEB:

I strongly oppose allowing EARTH being allowed to buy full control of Tillsonburg Hydro. Tillsonburg Hydro's excellent level of ongoing service is part and parcel of being directly owned by the Town of Tillsonburg and the town leadership being responsible to the citizens for its function. There is no upside for the citizens of Tillsonburg in this and, indeed, it may be simply a way to sell Tillsonburg Hydro to Ontario Hydro which was attempted and overwhelmingly rejected by the citizenry at that time.

To conclude, please to not allow this sale to occur.

Respectfully Yours,

David A. Wilson
