

Hydro One Networks Inc. has applied for approval to build transmission facilities in the county of Renfrew

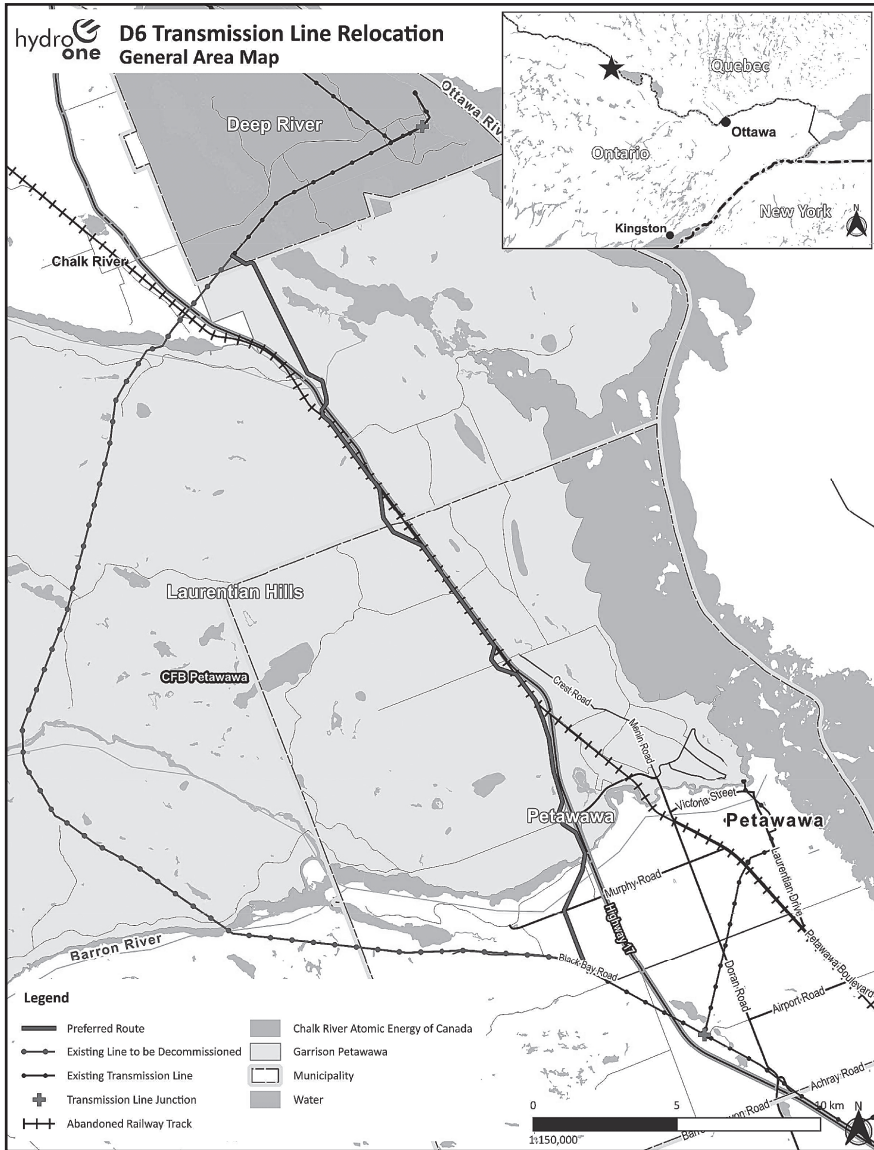

Hydro One Networks Inc. (Hydro One Networks) is asking the Ontario Energy Board (OEB) for:

- Permission to relocate an existing 115 kilovolt single-circuit transmission line that Hydro One Networks says has reached end-of-life. The relocated transmission line will run between Hydro One Networks's Chalk River customer transformer station and the transmission line intersection point known as Petawawa Junction in the Renfrew area. The transmission line passes through the towns of Petawawa, Laurentian Hills and Deep River. The total length of the line is approximately 21 kilometers, including 18 kilometers on federally owned lands and the remainder on privately owned lands.
- Approval of the forms of land use agreements that Hydro One Networks will offer affected landowners.

The OEB hearing is not the only approval process required before a line is built.

Environmental issues, or issues related to the Crown's duty to consult Indigenous peoples, are not part of the OEB's review unless there is a direct impact on price and the reliability and quality of electricity service.

A map of the proposed route for the transmission line is provided below:

YOU SHOULD KNOW

There are three types of OEB hearings: oral, electronic and written. If you have a preference for the hearing type, you can write to us to explain why.

During this hearing, we will hear questions and arguments from participants about this case. We will also hear questions and arguments from participants that have registered as Intervenor. After the hearing, we will decide whether to approve the application.

HAVE YOUR SAY

You have the right to information about this application and to participate in the process. Visit www.oeb.ca/notice and use file number **EB-2026-0112** to:

- Review the application
- Apply to become an intervenor
- File a letter with your comments

IMPORTANT DATES

You must engage with the OEB on or before **June 22, 2026** to:

- Provide input on the hearing type (oral, electronic or written)
- Apply to be an intervenor

If you do not, the hearing will move forward without you, and you will not receive any further notice of the proceeding.

PRIVACY

If you write a letter of comment, your name and the content of your letter will be put on the public record and the OEB website. If you are a business or if you apply to become an intervenor, all the information you file will be on the OEB website.
