Issues:

We represent residential consumers of electricity. Residential consumers are materially impacted by the application as residential consumers pay the approved IESO fees. We are interested in all of the issues reflected on the IESO's draft issues list (with the proposed changes suggested by the Council in a separate letter).

Policy Interests:

We represent ratepayers and not a policy interest.

Hearings:

The Council has separately filed a letter regarding the IESO's proposed hearing process and opportunities to streamline the process.

Evidence:

The Council does not intend to file evidence in this proceeding.

Coordination with Other Intervenors:

The Council regularly coordinates with other intervenors. It is our intent to do so with respect to this proceeding as well.

Cost Awards:

The Council is seeking cost award eligibility for this proceeding. In the absence of costs, the Council would be unable to participate.

Language Preference:

We will participate in English.
