**Re: Enbridge Gas Inc. (Enbridge Gas)
Application for Multi-Year Natural Gas Demand Side Management Plan
(2027-2030)**

On May 4, 2026, the OEB issued its [Decision on Issues List and Procedural Order No. 3](#) which, among other things, directed Enbridge Gas to file written responses to interrogatories on its pre-filed evidence.

On June 8, 2026, Enbridge Gas filed a letter with the OEB requesting an extension to file its written responses to interrogatories from June 11, 2026, to June 18, 2026. Enbridge Gas indicated that it needs additional time to respond to the high volume and complexity of interrogatories submitted by OEB staff and intervenors.

The OEB accepts Enbridge Gas's request for an extension to **June 18, 2026**.
