Issues:

In its April 9, 2026 Decision and Order for the EB-2024-0239 proceeding, the OEB granted a new certificate of public convenience and necessity (CPCN) (EB-2024-0239) to Clearbeach Resources Inc. (Clearbeach) to construct and operate natural gas pipeline facilities within Concession 7 - North Part of Lot 2 in the former Township of Walsingham within Norfolk County solely for the purpose of supplying natural gas to EZ Grow Farms located at 230 Walsingham Townline Road. In its application, EPCOR is requesting an order approving the transfer of the CPCN from Clearbeach to EPCOR. The EB-2024-0239 Order impacts the CPCN rights held by Enbridge Gas in Norfolk County, and Enbridge Gas subsequently filed an application with the OEB seeking an updated CPCN for all areas of Norfolk County excluding those areas to which Clearbeach and EPCOR natural Gas Limited Partnership (EPCOR) (among others) hold CPCN rights (EB-2026-0139).
