Toronto, Ontario M4P 1E4

Dear Mr. Murray

**RE: GrandBridge Energy Inc.
Non-Wires Solutions Program Application - Draft Rate Order
OEB File No.: EB-2025-0265**

GrandBridge Energy Inc. (GrandBridge Energy or GBE) filed an application with the Ontario Energy Board (OEB) on December 1, 2025, under section 78(3) of the *Ontario Energy Board Act, 1998*, seeking approval for funding a non-wires solution (NWS) program beginning May 1, 2026.

The OEB issued its Decision and Order (Decision) in this matter on May 28, 2026. The OEB directed GrandBridge Energy to file a Draft Rate Order (DRO), including a proposal to calculate the forgone revenue rate riders, and a Draft Accounting Order for NWS-PCVA by June 8, 2026. In accordance with the Decision, GrandBridge Energy filed a DRO that included a Draft Accounting Order by June 8, 2026.

On June 15, 2026, OEB Staff submitted that: (a) the DRO is consistent with the findings set out in the Decision; (b) the proposal to calculate the forgone revenue rate rider is appropriate; and (c) the Draft Accounting Order is consistent with the findings set out in the Decision. GrandBridge Energy agrees with the OEB Staff comments and has no further comments.

Respectfully submitted,

GrandBridge Energy Inc.

/s/ Gaetana Girardi
