Dear Mr. Murray:

**Re: Elexicon Energy Inc. OEB File No: EB-2025-0312
2027-2031 Custom Incentive Rate-Setting ("Custom IR") Application – Corrections to Interrogatories**

Pursuant to the OEB's Procedural Order No. 1 ("PO #1"), Elexicon Energy ("Elexicon") filed its responses to two rounds of interrogatories on May 8 and May 27, 2026. Also, in accordance with PO #1, Elexicon's Technical conference is scheduled to commence on June 22, 2026.

In the course of preparing for the Technical Conference, Elexicon detected inadvertent errors in certain interrogatories. To promote efficient use of time at the Technical Conference and provide clarity to OEB Staff and intervenors, Elexicon is refileing three interrogatories: 4-Staff-103, 7-BOMA-05, and 1-CCC-09. A summary of the changes is provided in the table below:

IR #	Summary of Change
4-Staff-103	Updated to include certain positions missing from the original table.
7-BOMA-05	Updated to provide the supporting calculation for the intended Billing and Collecting weighting factors, the corresponding update to the Cost Allocation Model, and a summary of the resulting impact on cost allocation results.
1-CCC-09	Revised to ensure Elexicon's <u>net</u> capital expenditures were used to calculate the ratio for the historical and forecast period, and to include a revised version of the corresponding figure referenced in the interrogatory.

Elexicon's primary contact for this application is Erin Stevens, Director, Regulatory Affairs. Please contact Erin by e-mail at estevens@elexiconenergy.com, or by phone at 289-355-9390, if you have any questions.

Sincerely,
