DECISION AND ORDER

Keyera Midstream Canada Ltd. (Keyera Midstream) filed a complete application on May 26, 2026, under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) for a name change amendment to the electricity wholesaler licence EW-2022-0168.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The application has been considered by the Delegated Authority without holding a hearing pursuant to section 6(4) of the OEB Act.

The applicant is seeking a name change to the electricity wholesaler licence EW-2022-0168 from Plains Midstream Canada ULC to Keyera Midstream Canada Ltd. The applicant is requesting a change to the name on the electricity wholesaler licence, to reflect Keyera Corp.'s acquisition of Plains Midstream Canada ULC. Following the completion of the acquisition, Plains Midstream Canada ULC now operates as Keyera Midstream Canada Ltd.

The applicant filed a copy of the Province of British Columbia's Certificate of Change of Name under the Business Corporations Act, in support of its name change request. Due to the name change, the applicant provided updated contact information and key individual information for the applicant.

The OEB grants the change of name on electricity wholesaler licence EW-2022-0168 to Keyera Midstream Canada Ltd. There are no other changes to the licence.

IT IS ORDERED THAT:

1. Electricity Wholesaler licence EW-2022-0168 is amended to identify Keyera Midstream Canada Ltd. as the licensed entity. The amended licence is attached to this Decision and Order.
