Issues:

Consistent with Rule 22.02, WGP is materially impacted by this proceeding as Hydro One has entered into an agreement with the eight First Nations represented by WGP pursuant to which Waasmoowin NEPL LP will be granted an option to acquire up to a 50% equity interest in the NEPL. The approval and terms of approval of the NEPL directly affect WGP's ability to manage and exercise that option on behalf of the eight First Nations that directly or indirectly own WGP and Waasmoowin NEPL LP, and the value of that option. WGP intends to participate with respect to issues relating to the impact of this proceeding on Waasmoowin NEPL LP's option to acquire up to a 50% equity interest in the NEPL, including issues from the standard issues list, and any other matters that promote or otherwise represent the interests of WGP more generally.

Policy Interests:

Not applicable.

Hearings:

WGP takes no position on the form of hearing.

Evidence:

WGP has not yet determined whether it will file evidence in this proceeding. WGP reserves the right to file evidence and will seek Board approval at the earliest opportunity.

Coordination with Other Intervenor:

WGP will seek to coordinate its participation in this proceeding with Waasmoowin Opportunities and Consultation Council ("WOCC") if and to the extent possible, but this may be limited as each of WGP and WOCC have very different mandates and interests are subject to confidentiality restrictions and conflict walls.

Cost Awards:

WGP hereby requests cost eligibility and intends to seek a cost award in this proceeding. WGP is, in accordance with s. 3.03(b) of the Board's Practice Direction on Cost Awards ("Practice Direction"), eligible to seek an award of costs as WGP primarily represents an interest or policy perspective that is relevant to the Board's mandate and to the proceeding. As general partner of Waasmoowin NEPL LP, WGP will manage Waasmoowin NEPL LP's option to acquire up to a 50% equity interest in the NEPL pursuant to an agreement with Hydro One, and the outcome of this proceeding will directly affect WGP's ability to manage and exercise that option, and the value of that option. Each of the First Nations represented on the board of WGP would themselves be eligible for a cost award. Neither WGP nor the eight First Nations it represents are excluded from cost eligibility under s. 3.05 of the Practice Direction.

Language Preference:

WGP will participate in English.
