**Re: Chosen Energy Limited (Chosen Energy)
Appeal from the Ontario Energy Board's Decision and Order in EB-2026-0022**

On June 12, 2026, the OEB issued a [Notice of Hearing and Procedural Order No. 1](#), which, among other things, established a timeline for written final submissions from Chosen Energy and any other party.

On June 16, 2026, Chosen Energy filed a [letter](#) with the OEB and stated that its written submissions and legal position are set out in the Notice of Appeal already filed and while Chosen Energy reserves the right to respond to any submissions from OEB staff, it has no further submissions in chief.

Chosen Energy indicated that it would appreciate any steps that can be taken by OEB staff and the OEB to process and complete this appeal as quickly as possible, including the filing (if feasible) of OEB staff submissions in advance of the July 10th deadline.

The OEB has reviewed the letter filed by Chosen Energy. At this time, the OEB will not be making any changes to the final submissions schedule in the Notice of Hearing and Procedural Order No. 1. However, this does not preclude OEB staff from filing its final submission in advance of the July 10th deadline.

Please direct any questions relating to this application to the Case Manager, Michael Bell, at 416-440-7688 or michael.bell@oeb.ca.
