**Re: Ontario Power Generation Inc. (OPG) and DNNP LP (the Applicants)  
Payment Amounts for 2027-2031  
Applicants' requests for confidential treatment of undertaking responses  
Ontario Energy Board (OEB) File Number: EB-2025-0297**

On June 25, 2026, the Applicants requested approval to (i) permanently redact from the public record information they believe is non-relevant, or personal information and/or (ii) treat as confidential, certain information included in their undertaking responses.

OEB staff filed a letter on June 30, 2026, requesting permission to provide a submission on the Applicants' requests for confidential treatment by July 14, 2026. OEB staff stated that, given the volume of the Applicants' requests, the five-business day timeline for objections set out in the *Practice Direction on Confidential Filings* is insufficient.

OEB staff's request is granted. Intervenor and OEB staff may file submissions regarding the Applicants' June 25, 2026 requests by **July 14, 2026**. The Applicants may file a reply submission by **July 21, 2026**.

Yours truly,
