Dear Erin Stevens:

**Re: Elexicon Energy Inc. (Elexicon Energy)
2027-2031 Custom Rate Application for Electricity Rates and Charges
Ontario Energy Board (OEB) File Number: EB-2025-0312**

In accordance with Procedural Order No. 1, the responses to undertakings from the Technical Conference are due on July 6, 2026.

On July 2, 2026, Elexicon Energy filed a letter seeking an extension to file its responses by July 8, 2026. For undertakings that require input from Mercer, Elexicon Energy requested an extension to July 10, 2026. Elexicon Energy stated that this additional time will permit Mercer and Elexicon Energy to provide a more fulsome response to these undertakings, where feasible.

The OEB grants the request. The deadline for all parties to file responses to undertakings arising from the Technical Conference is extended to July 10, 2026

The dates established in Procedural Order No. 3 remain unchanged.

Yours truly,
