Issues:

Minogi is actively engaged in matters and issues related to Ontario's energy sector and the potential impacts on the Mississaugas of Scugog Island First Nation ("MSIFN"). MSIFN's Aboriginal and Treaty rights, land use, cultural heritage, and other rights and interests are potentially affected by the Proceeding. MSIFN has traditional territory, and associated rights and interests protected by s. 35 of the Constitution Act, 1982, that may be impacted by the outcomes of this proceeding, including impact and consequences for MSIFN and its members and their hunting, harvesting, cultural, and other Treaty rights; and any other matters that promote or otherwise represent the interests of MSIFN more generally.

Policy Interests:

Minogi represents the interests of MSIFN. Minogi therefore believes this question is not applicable to it, but it is available to provide further information on request.

Hearings:

Minogi reserves its right to make submissions on the form of hearing following the interrogatory phase of the proceeding.

Evidence:

Minogi does not currently expect to file evidence in this proceeding, but reserves its right to do so and will seek Board approval at the earliest opportunity.

Coordination with Other Intervenors:

Minogi intends to be an active participant in this proceeding and will act responsibly to coordinate with other intervenors, as appropriate and where common issues may arise. Minogi notes that it is in contact with other potentially impacted local First Nations, and is currently in discussions to seek their participation in the proceeding and/or to coordinate with Minogi for the purposes of this proceeding.

Cost Awards:

Minogi hereby requests cost eligibility in this proceeding. Minogi is, in accordance with s. 3.03(b) of the OEB's Practice Direction on Cost Awards, eligible to seek an award of costs as Minogi is a party that primarily represents an interest or policy perspective that is relevant to the OEB's mandate and to the proceeding. Minogi represents the interests of a unique and otherwise unrepresented set of First Nation energy customers and consumers in Ontario pursuing clean energy opportunities to further economic reconciliation. Minogi requests an award of costs in this proceeding on the basis that its participation serves a direct interest and policy perspective that is relevant to the OEB's mandate and pressing for Ontario's energy consumers. The OEB has granted Minogi cost eligibility in several OEB proceedings, including each and all of those referred to above in Section 2. Minogi therefore submits that it is appropriate for the OEB to award Minogi costs in the context of this proceeding, and hereby requests cost eligibility.

Language Preference:

Minogi intends to participate in English.
