Dear Ritchie Murray:

**Re: EB-2026-0178: Motion to Review and Vary Decision and Order in EB-2025-0286
Impala Canada Ltd. Response to Ontario Energy Board Notice of Hearing and
Procedural Order No.1**

We represent Impala Canada Ltd. (“**Impala**”) in the abovementioned proceedings. On June 10, 2026, Impala filed a Notice of Motion to Review and Vary (the “**Motion**”) the Ontario Energy Board’s (“**OEB**”) Decision and Order, dated May 21, 2026, dismissing Impala’s application for authority to expropriate two parcels of land pursuant to section 99(1) of the *Ontario Energy Board Act, 1998*.¹

On July 13, 2026, the OEB issued a Notice of Hearing and Procedural Order No.1 in relation to the Motion (the “**Notice**”) and directed Impala to order the dates listed in the Notice in order of preference for an oral argument day and advise if any of the dates are unworkable.

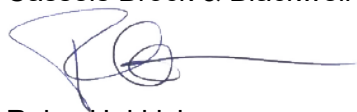

In accordance with the Notice, Impala advises that August 24, 2026 is its preferred date, and that August 18 and 19, 2026 are unworkable as Impala’s counsel is unavailable on both dates.
