Dear Shah Sakandar:

**Re: Exsocert LLC (Exsocert)
Application for an Electricity Wholesaler and Gas Marketer Licence
Ontario Energy Board File Nos. EB-2026-0159 / EB-2026-0160**

The Ontario Energy Board (OEB) received Exsocert's application for an electricity wholesaler licence on May 5, 2026. The OEB also received Exsocert's application for a gas marketer licence and, following its review, issued an incomplete application letter requesting additional information. The applicant subsequently filed the requested information on July 17, 2026. OEB staff recognize that there were several rounds of correspondence regarding the gas marketer application; however, staff are now satisfied that the application is complete.

The OEB has commenced processing the electricity wholesaler and gas marketer licence applications and has assigned file numbers EB-2026-0159 and EB-2026-0160, respectively.

The application will be decided by an employee of the OEB who has been delegated this authority under section 6 of the *Ontario Energy Board Act, 1998* (Delegated Authority). The Delegated Authority intends to make a decision on the application without holding a hearing.

If required, OEB staff will contact you directly to seek clarification regarding the application or to request additional information. Please note that the timely processing of the application depends on the receipt of information within the specified timelines.

Exsocert is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions to Andy Chung, Analyst, Licensing & Compliance Reviews at andy.chung@oeb.ca. Please refer to the OEB file number noted above in all future correspondence to the OEB regarding your application.

Yours truly,

John Pickernell
Manager, Applications Administration
