Hi Ritchie,

Thank you for your email and for taking the time to speak with me today. I appreciate your guidance and clarification on the process.

I'll register as a monitor for the proceeding and will submit letters of comment as appropriate.

Thanks again.

Best regards, Bobby Cyr

Good afternoon, Bob.

It was very nice chatting with you today.

Based on our discussion, I understand that Rejean Cyr Logging Ltd is no longer requesting to become an intervenor. The company is satisfied to become a monitor and may choose to file one or more letters of comment on the record of the proceeding.

You can sign up to become a monitor by sending an email to Registrar@oeb.ca that says something like, "I would like to register as a monitor for the OEB's proceeding on Hydro One's Northeast Powerline Project application EB-2026-0154."

Here is the link to the Ontario Energy Board's letter of comment form:

Thank you.

Hello, Rejean.

I called and left you a voicemail this afternoon. I'd like to chat with you about your application to be an intervenor in the Ontario Energy Board's proceeding on Hydro One Network's application for leave to construct the Northeast Powerline Project (EB-2026-0154). I want to make sure that you are familiar with the role of an intervenor and to make sure you know about some other ways that you are able to participate.

Please email me back and let's see if we can set up a time for a 10-15 minute call. In terms of availability, I can do between 4:30 and 5:00 this afternoon or tomorrow morning between 8:30-9:15 or between 9:45-11:00.

Thanks!

~ Ritch
