**RE: Enbridge Gas Inc. Five-year Gas Supply Plan
Decision and Order on Cost Awards (Revised)
OEB File Number: EB-2025-0065**

The Ontario Energy Board is issuing this letter in accordance with Rule 41.03 of the Rules of Practice and Procedure to correct an administrative error in its Decision and Order on cost awards issued on July 20, 2026.

In the decision, the cost award amount for Ginoogaming First Nation was incorrectly stated due to an administrative error. In addition, the cost award amounts for the Industrial Gas Users Association, Minogi Corp., Pollution Probe, School Energy Coalition, and Vulnerable Energy Consumers Coalition were incorrectly stated as they did not include applicable HST.

The OEB has issued a revised Decision and Order on Cost Awards to correct these errors. The revisions are limited to the cost award amounts and do not alter the OEB's findings regarding cost awards.

Yours truly,

Ritchie Murray
