Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
P.O. Box 2319

Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Board Staff Submission - Procedural Order No. 3  
Innisfil Hydro Distribution Systems Limited ("Innisfil")  
Application for Approval of 2009 Electricity Distribution Rates  
Board File No. EB-2008-0233**

The following is the submission of the Board staff on the procedural issues identified in the Board's Procedural Order No. 3 that was issued on November 26, 2008:

***a) Whether Further Discovery is Required, Either in the Form of Further Interrogatories or a Technical Conference***

Board staff notes that Innisfil has made changes to its application through the interrogatory process (e.g. request for an increase in the smart meter rate adder to \$1.00), but has not provided an overall update of its application to reflect these changes.

Board staff submits that this information is necessary to an accurate record of customer bill impacts. The Board could consider two options:

- (1) Require the Applicant to prepare the necessary evidence; or
- (2) Alternatively, the Board could provide for a second round of interrogatories.

All of which is respectfully submitted.

Yours truly,
