-- Name --

John Phillips

-- Do you reside in the impacted service area? --

Yes

-- Comments --

Are affected land owners to be served notice of this oeb meeting? When is this meeting? I hear in the community that something was supposed to be delivered to property owners, was delayed at canpar and delivered after a critical date. Also as an affected landowner I have not received any notice of an OEB meeting as of July 29th 2026.
