Attention: Mr. Ritchie Murray, Registrar

Dear Mr. Murray:

RE: OEB File No. EB-2025-0252, Alectra Utilities Corporation (“Alectra Utilities”) 2027-2031 Custom Rate Application for Electricity Distribution Rates and Charges (the “Application”) – Confidential Treatment of Pre-Settlement Questions

Alectra Utilities provided its responses to the intervenor pre-settlement questions on May 5, 2026. Pursuant to the OEB’s *Practice Direction on Confidential Filings* (the “**Practice Direction**”), Alectra Utilities requests that certain information contained in responses to the pre-settlement questions receive confidential treatment under Parts 5 and 6 of the Practice Direction.

The proposed redactions are further detailed in Appendix ‘A’ of this letter, which is a non-confidential table prepared in accordance with Section 5.1.4(b) of the Practice Direction. That table includes:

- Confidential third-party unit pricing and billing information
 - SC-CCC-6, Page 2 of 2
- Customer load and billing information
 - SC-CCC-1, Attachment 1, All Pages
 - SC-CCC-2, Attachment 1, All Pages

Appendix ‘B’ contains a compilation of the unredacted (confidential) versions of the relevant responses to pre-settlement questions, each of which is labelled as confidential and includes marked (but not “applied”) redactions in red for the specific portions of the responses or documents. Copies of Appendix ‘B’ will only be provided to Settlement Conference participants who have signed and filed a Declaration and Undertaking in this proceeding in accordance with the Practice Direction.

Should the parties agree that the responses to pre-settlement questions are to be filed with the OEB in connection with a settlement proposal, Alectra Utilities will request approval from the OEB for the confidential treatment of the above-noted information at that time.

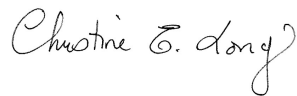

Please let us know if you have any questions or concerns.
