Dear Mr. Murray,

EB-2025-0290 – Hydro One Networks Inc. Welland-Thorold Leave to Construct Project – Cost Claims

Hydro One Networks Inc. ("Hydro One") has reviewed the cost claims submitted by Futecon Canada Inc. Hydro One does not object to these cost claims as they are demonstrably and reasonably related to the intervenor's participation in the Ontario Energy Board ("OEB") proceeding.

An electronic copy of this letter has been submitted using the OEB's Regulatory Electronic Submission System.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Catalano", with a stylized flourish at the end.
