August 6, 2026

DECISION AND ORDER

Aegent Energy Advisors Inc. (the Applicant) filed an application on July 3, 2026, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for renewal of its agent-only (large volume consumers) electricity retailer licence. The licence would allow the Applicant to continue acting as an agent or broker to use the electronic business transactions system to gather consumption data on behalf of its large volume consumers.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue an agent only (large volume consumers) electricity retailer licence to Aegent Energy Advisors Inc. If the Applicant wishes to engage in electricity retailer activities beyond the scope of the agent only (large volume consumers) licence, the applicant shall file an application and obtain the OEB's approval.

IT IS ORDERED THAT:

1. The application for an agent only (large volume consumers) electricity retailer licence is granted, on such conditions as are contained in the attached licence.
