Mr. Ritchie Murray
Registrar
Ontario Energy Board
Suite 2700, 2300 Yonge Street
Toronto, ON M4P 1E4

Dear Mr. Murray,

Re: File No. EB-2024-0142

**Hydro One Networks Inc. Application for Authority to Expropriate
Land Interests with respect to certain lands owned by Nyon Oil
Inc. and 1170367 Ontario Inc. in Port Colborne, Ontario**

We are counsel to Nyon Oil Inc. and 1170367 Ontario Inc. in the above-noted proceeding.

We write to respectfully request an update on the anticipated timing of the Ontario Energy Board's decision in this matter.

Written arguments in this proceeding closed on September 18, 2025. We recognize the significance of the issues before the Board and appreciate that careful consideration is required. However, the timing of the Board's decision has important practical consequences for our clients.

As the Board is aware, our clients' civil proceeding against Hydro One Networks Inc. has been stayed pending the outcome of this proceeding. That stay has been in place since March 27, 2025, and will remain in place until the Board's decision is issued and the applicable appeal period has expired. As a result, our clients have been unable to advance their civil claims for a significant period of time.

In these circumstances, and given the length of time that has passed since written arguments closed, we respectfully request that the Board issue its decision as soon as it is able to do so. If the Board is not yet in a position to issue its decision, we would be grateful for any indication the Board is able to provide regarding the anticipated timing.

We thank the Board for its attention to this matter.

Yours very truly,
MASSEY LLP
